Course Content

Teaching Methodology (09:00 – 12:30)

The group will explore practical and stimulating ways to make learning effective in the classroom.

Cutting Edge Ideas (13:30 – 14:30) *

Course participants discuss 'dogme', 'the reflective teacher', how to maximise students' motivation, how students learn (metacognition), encouraging critical thinking and the teacher's role: coach, facilitator, mentor.

Performing and Observing (14:45 – 15:45) *

Using role-plays, discussions and presentations we'll focus on confidence and fluency in spoken English, as well as performance skills: body language, eye contact, voice projection and control – performance that can be replicated in the class room. Course participants also work on positive observation techniques, feedback strategies and using students' evaluations to work on a co-operative learning environment.

* Course participants can attend language input classes instead of pedagogy.
